

Leaf Rakers

GARDENING AND LANDSCAPING

COMPANY PROFILE

Company Overview

Leaf Rakers Gardening and Landscaping was established in Johannesburg in 2018.

Our core business activities are Irrigation and Estate Management, Landscaping and Indoor Plant Maintenance.

Custom-tailored services offered by a well-trained team, comprising of landscape architects; design engineers; supervisors; and skilled workers, to suit the varying requirement from private clients, residential / business estates, municipalities, hotels and government bodies.

Landscaping is both a science and an art which requires good observation and design skills. Leaf Rakers understands the elements of nature and construction, and strive to blend them accordingly.

We are a company dedicated to environmental ethos, and shall ensure the continuation of a safe, clean and healthy ecosystem. We also have solid business processes that are geared towards a greener environment.

Our commitment is to construct World Class Gardens assuring all our clients quality service.
